WORK EXPERIENCE :

Co-Founder and Programmer, GreenPanda.in (Part-Time)

Aug 2015- Jan 2018

GreenPanda.in was an organization in service sector dealing with customised web solutions and novel gTLD solutions. My work involved back-end developments for web-applications and web-server management.

Extra - Curricular Activities

- Co-Founded a Software Club at PRPCEM, Amravati with a vision of establishing a platform for our institute's students to take part in Computer science IT related projects and activities.
- Participated in Techlons 2014 (International Level) at P.R.Pote College of engineering, Amravati.
- Participated in Prajwalan 2014 (International Level) at Government College of engineering, Amravati.

Objective

To secure a challenging internship to explore my interests in computer science and entry-level Project Manager position; to deliver project objectives within stipulated time, resource and budget constraints, and to align project execution with the strategy and ethics of the organization and also want to improve my skill set and contribute to the industry to my maximum.

Declaration

I hereby declare that all the information given above is true to the best of my knowledge as on January 27, 2019.
